SPRING GAS CONFERENCE

MAR 18-20 COLUMBIA, SC

DISCOVER THE MOST CUTTING-EDGE INNOVATIONS

LISTEN TO THE TECH UPDATES, AND EXPERT-LED SESSIONS AT SPRING GAS. Dive deep into the natural gas industry with subject-matter experts teaching curated session by peers. Engage with fellow professionals and gain real-world perspectives on varied topics from field technical skills, to leadership and engineering.

WHY ATTEND SPRING GAS?

- » **Diverse Learning:** Spring Gas offers in-person sessions, a panel keynote, Tech Updates, workshops and roundtable sessions.
- » **Three Tracks:** Explore Engineering & Risk Management, Field Operations & Construction, and Leadership & Innovation tracks.
- » **Networking Opportunities:** Connect with peers and industry leaders, fostering valuable professional relationships.
- » **Strategic Solutions:** Gain consensus, share expertise, and contribute to solving the industry's pressing challenges.

LEADERSHIP KEYNOTE PANEL: THE FUTURE OF THE INDUSTRY

Sasha Weintraub (Duke), Bryan Batson (Southern Company Gas), Rodney Blevins (Dominion Energy) will answer questions around what does M&A mean to different levels of the organization, how do you hire into the industry in the current landscape and why it's a great place for your career today and for years to come.

SESSION HIGHLIGHTS

- » Intro to the Natural Gas Industry
- » Distribution System Design
- » Transmission Pipeline Design
- » The Future of the Workplace: Attract, Engage & Retain Talent
- » Emergency Response and Incident Investigation
- » Safety Hot Topics
