

# EXCLUSIVE SPONSORSHIP OPPORTUNITY

*Developing exceptional leaders to foster an innovative, abundant, and sustainable energy future.*

DELIVERED IN COLLABORATION WITH OU

SGA's high-impact executive program, ANGE, launches in September 2023.

There are a limited number of funding options available for executive education participants, and it's the responsibility of each participant to secure funding for their tuition. We are creating a tuition assistance program for those unable to secure employee sponsorship or self-fund.

This special sponsorship opportunity is for up to 10 companies and will assist professionals in their leadership quest.

## ANGE SCHOLARSHIP UNDERWRITER

**Cost:** \$18,000 *each*

Sponsor a scholarship for a **high-potential leader**.

### BENEFITS:

- Recognition in ALL Electronic Communications regarding ANGE program marketing
- Recognition onscreen during each of the nine sessions as a scholarship sponsor
- Opportunity to provide one column in a Quarterly Newsletter
- Recognition in SGA InBrief weekly email during the life of the ANGE program (18 months)
- Recognition at SGA Board Meetings
- Recognition at ALL SGA Conferences as Scholarship Underwriter
- Invitation to Executive Conference for one c-suite executive of sponsor company and special recognition in Executive Conference guidebook (executive will be responsible for the registration and activity fee)

## THE PROGRAM AND SESSIONS

ANGE is an 18-month program specializing in a comprehensive curriculum (practical and instructional) for senior leaders in the natural gas industry. Nine in-person immersion sessions are curated to equip future executive leaders to:

- Make informed decisions at the executive level
- Strategically drive sustainable organizational growth
- Confidently navigate the evolving-energy landscape
