

## Dues Schedule -2021

Southern Gas Association (SGA), is an corporate-based membership association, which means all employees of a member company are considered members of SGA and can take advantage of networking and collaboration with peers, learning successful practices from other members, and more.

The SGA dues structure is based on the type of membership outlined below:

- Transmission and Distribution member dues is based on operating income from gas operations and is tiered
- Municipals member dues is based on meter count
- Gas Supply Marketing and Associate member dues are a flat fee

### DISTRIBUTION and TRANSMISSION

0 up to \$30MM .....	\$17,400
